Sarangkot is only 13 kms from Lake Side, Pokhara. Sarangkot is the highest view point for a sunrise and it is just 1592m high. Sarangkot is cooler than Pokhara. Sarangkot can be reached easily by 45 to 60 minutes by a car ride to the top from Pokhara. Many tourists come to Sarangkot for sunrise view and go back.

From Sarangkot, on the northern direction we can see Dhaulagiri in the far west. Annapurna range is visible when the weather is clear on the same side. On the southern direction the village overlooks the city of Pokhara and its lake on the north-western outskirts of the city.

Sightseeing to Devi's fall, also known as Patale Chango is an awesome waterfall lying 2 km southwest of Pokhara. During summer and rainy season, the waterfall takes its real form, with gushing water splashing and making its way through the rocks. Just opposite of Devi's fall, on the other side of the road, there is Gupteshwor Cave. This cave is popular for the different natural forms made from limestone deposits. Kathmandu / Airport

This morning your tour will take you for a visit to Patan. Also known as Lalitpur, the city of beauty is separated from Kathmandu only by the Bagmati River and is the second largest town in the valley. Lalitpur is fragmented from other cities due to its substantive architectural ancient masterpieces. Patan's central Durbar Square is absolutely packed with temples: It's an architectural center point with a far greater concentration of temples per sq. meter than in Kathmandu or Bhaktapur. Within the city also lies the Tibetan refugee center, home to most of the valley's Tibetan population. While technically refugees, the Tibetans are some of the wealthiest people in the valley because of the carpet industry they operate. For those looking to bring home a fine Tibetan carpet, this is the place to shop. You will then go to Swayambhunath the golden spire of the 5th-century Swayambhu stupa is adorned with a colorful fluttering of prayer flags; it crowns a hill overlooking the Kathmandu Valley and offers fantastic views over the city of Kathmandu. Swayambhunath is one of the most recognizable symbols in Nepal and the painted eyes of Buddha watch all who ascend the worn stone steps.

(The above sightseeing is for a maximum of 03 hours after the vehicle reports at the hotel) Later, you will be transferred to the airport in time to board your flight for onward journey.
